SECRET 25X1 On 28 November, the Mudra Kaserne was occupied about 90 percent by about 2,300 troops, including about 40 percent wearing red-bordered black epsulets with artillery insignia, 10 percent wearing black-bordered black epaulets, 50 percent wearing red-bordered black epaulots and 40 uniformed women also wearing red-bord dered black enaulets. About 40 troops wearing red-bordored black enaulets, including some with artillery insigna, received basic training in the barreche yard and another 50 to 60 troops wearing black-bordered black epaulets engaged in drill. About 180 to 200 troops wearing red-bordered black epaulets and armed with machine guns, submachine guns and rifles had fallen in in the barracks yard. A jeep and 25X1 eight trucks were seen with the troops. About 3 tank trucks, 1 sedan, I dim-whoel armored personnel occrier and 7 brucks were observed in the barracks area. Motor vehicles seen entering and leaving the installation included the At 3:30 p.m. on 19 November, a slipment of 35 boxcars occupied by about 35 troops passed through the Riesa railroad station, proceeding toward Elsterwords. 3 25X1 At 10 a.m. on 5 December, a shape and of 1 boxcar and about 15 x 57-mm AT guns was seen at the Coswig freight station. 25X1 25X1 Connect. The information does not indicate any change in the occuration of the two installations over the last report of late Movember. 25X1 reperted Camp Zeithein heavily occurred prior to 23 I as, according to other reports, units of the 25X1 9th Tank Div had returned to Occliez from the Zeithein training area by 28 November, observations in this report, according to which the comp was vacant during the first half of December, and firing practices were held after 15 December, are believed to be correct.

Comment. The shipment is presurably identical with shuttle-train

which went from Chemmits to Cuber on 19 November.
